**Details:**

On April 30th at approximately 4 p.m. the Grants Pass Department of Public Safety SWAT, Oregon State Police, Agents from Alcohol, Tobacco, and Firearms (ATF), and members of the Rogue Area Drug Enforcement (RADE) team served a search warrant at 1980 Harbeck Road #A.

Seized during the search warrant were three firearms, marijuana, heroin, methamphetamine, scales, packaging material and other items of evidence. Mr. Daryl Payne and Mr. Antwone Williams were taken into custody without incident. They were later lodged at the Josephine County Jail on the above listed charges.

The location of the search warrant was directly across the street from South Middle School. While school was not in session during the search warrant, there were after school activities occurring. Additional officers were assigned to the school to ensure the safety of those individuals, due to the fact there were known firearms at the location. A short portion of Harbeck Road was closed for approximately 45 minutes during the service of the search warrant. No one was injured during the service of the search warrant.

The RADE team is continuing with the investigation. Anyone with information is asked to contact the Rogue Area Drug Enforcement (RADE) team at (541) 955-6970.
